

What is Alertable?

Alertable is a Community Information Service dedicated to providing access to timely, accurate, and important information during an emergency in Annapolis County.

Broadcasted information includes severe weather, wildfires, flooding, evacuation information, and other life safety information depending on the nature of the emergency.

How does Alertable Work?

Alertable is an opt in service. Once you sign up for Alertable, you can receive emergency notifications via text message, email, phone call and more.

Alertable messages can also be found on:

Facebook:
[AnnapolisREMO](#)

X (formerly Twitter):
[@Annapolis_Remo](#)

It is important to note that you **WILL NOT** receive Alertable notifications unless you sign up. Registration for Alertable is fast and easy, taking only a matter of minutes to complete.

Why should you sign up for Alertable?

Alertable provides residents of Annapolis County timely, accurate, important, and life saving information about emergencies in Annapolis County, directly to you. The service is free and provides you with the necessary information that you need to keep yourself, your family, friends, and neighbours safe.
